OUTDOOR STRUCTURES

Showplace has been supplying a wide range of quality outdoor structures, for long and short-term hire, throughout the UK and Europe for over 30 years. We handle every aspect of a project: our unique “turn-key service” includes design and build, project management, delivery, installation, transport to storage.

SINGLE STRUCTURES

Our unique range of temporary outdoor MODA event structures come in various shapes and sizes to suit all your outdoor event and marketing requirements.

Our outdoor event structures come in numerous sizes including 5m, 6m, 10m and 12m.

In fact, if you're looking to create a unique space and that's too square for you, we also have hexagonal variations too!

From product launches to event hospitality areas, we offer an unrivalled service in high end quality outdoor event marquee design.

COMBINATIONS

Our unique design also allows the structures to be linked together to provide virtually an unlimited combination of shapes and sizes to accommodate all your event structure needs. With glazed walling and solid walling options, as well as the complete flexibility to install internal walling, your event structure really is a blank canvas offering a bespoke outdoor event solution.

We are extremely flexible and versatile. We design each project around your specific requirements.
